Subject: California Alliance Postdoc Fellowship Program Accepting Applications

UCLA Graduate Division

Chairs, Vice Chairs, and Directors

Dear Colleagues,

The California Alliance for Graduate Education and the Professoriate's Postdoctoral Fellowship Program is continuing to accept applications for 2018-2019. Prospective applicants in the mathematical sciences, physical sciences, chemistry, computer science, and all fields of engineering are invited to apply by completing *ONE* application for postdoctoral positions at any of the four partner schools: Berkeley, Caltech, Stanford and UCLA. Applicants for California Alliance positions at Caltech are strongly advised to apply by the upcoming application review date, January 15, 2018.

[The California Alliance's Postdoctoral Fellowship applications are accepted online.](#)

Please see the program announcement attached or visit the [California Alliance website](#) for more information.

Please encourage prospective postdoctoral fellows to apply and help us spread the word by **forwarding the announcement on to your colleagues.**

The California Alliance for Graduate Education and the Professoriate is a National Science Foundation-supported initiative to increase diversity among STEM graduate students, postdocs, and faculty. Please see the attached program announcement or visit the website for more information. For assistance with the application process, please contact Ira Young at: californiaalliance@berkeley.edu.

With best wishes,

Robin L. Garrell

Vice Provost for Graduate Education
Dean, Graduate Division
