Subject: 2020-21 Student Support Allocations

UCLA

Graduate Division

Department Chairs and Department Administrators:

The Graduate Division is pleased to announce student support allocations for 2020–21.

Department/program allocations are available for viewing on the [Graduate Division Intranet site known as Jasmine](#). Your department SAO or MSO should have a Jasmine account and can print your allocation from the site. If you need assistance, please contact Eli Levy at x5-7758 or elevy@grad.ucla.edu. We encourage you to forward this email to the appropriate CAO or MSO in your academic unit.

1. **Block Grant Allocation**

The Block Allocation is based on three-year average eligible enrollment. Doctoral students who are **registered or registered in absentia** remain eligible for up to 21 consecutive quarters (7 years; summers are not counted). All master's degree and J.D. students are considered eligible if they are registered/enrolled and within their program's normative time-to-degree (measured in quarters; summers not included). Because students on Filing Fee are not enrolled, they are not eligible for block grant funding.

Carry-forward to 2020–21: If your department/program had an approved carry-forward from 2019–20 to 2020–21, it is noted on the student support allocation summary sheet within in your Jasmine account.

Deadline to allocate Block Grant to individual students is Feb. 1, 2021: All block grant funds for the 2020–21 academic year must be allocated to your students by February 1, 2021. We ask that you meet this deadline to ensure that the Graduate Division Fellowships and Financial Services Office meets campus fiscal closing deadlines.

- *Underspending the allocation:* As was the case in prior years, departments may request to carry forward up to \$40,000 or 10% of the Block Grant, whichever is greater, to the following academic year, 2021–22.
- *Overspending the allocation:* A department or program that commits more than its 2020–21 allocation may request an advance of up to \$40,000 on its 2021–22 allocation. Special requests to exceed this limit will be considered in consultation with your school or divisional dean.

In either case, please e-mail your written request to Ana Lebon, Assistant Dean of Fellowships and Financial Services in the Graduate Division (alebon@grad.ucla.edu) by Nov. 1, 2020.

2. **Recruitment Visit Allocations**

Information concerning Recruitment Visit allocations will be released in January 2020.

3. **Graduate Dean's Scholar Award (GDSA)**

GDSA allocations will be issued in January 2020. We will continue to support departments' ability to compete for the most highly recruited doctoral students via this award.

4. **Doctoral Travel Grants (DTG)**

The Graduate Division will continue to provide \$1,000 to new doctoral students to use during their degree program.

As a reminder, this initiative was created to encourage doctoral students to present their work at professional conferences, to support travel associated with off-campus research, and to enable students to take advantage of off-campus professional development opportunities. The reimbursement can be used, in whole or in part, at any time through the seventh year of enrollment in the doctoral program. Departments and mentors are encouraged to talk with their students about how and when the funds might best be used, and to provide additional funding for these activities as resources permit. ***There is no limit to the amount of additional support an individual student can receive.***

We hope that this \$1,000 guarantee will serve as an effective incentive that can help yield the top recruits to your doctoral programs. We encourage you to include language about the DTG in your informal offer letters.

Questions concerning procedures or deadlines should be directed to Assistant Vice Provost Sam Bersola (sbersola@grad.ucla.edu/ x5-4386) or Director of Fellowships and Financial Services Sherman Chew (schew@grad.ucla.edu/ x5-5174).

With best wishes for a happy holiday season and New Year,

Robin L. Garrell

Vice Provost for Graduate Education
Dean Graduate Division
