Dear Deans, Department Chairs and Vice Chairs, Chief Administrative Officers, Management Services Officers and Student Affairs Officers:

I am delighted to inform you that due to the likely adverse impact of COVID-19 on the degree progress of many of our students, UCLA senior leadership has generously agreed to grant certain Non-Resident Supplemental Tuition (NRST) accommodations for eligible international students.

For details on these accommodations, please refer to the [NRST Accommodations FAQs \(PDF\)](#). Additional questions may be directed to me at settner@grad.ucla.edu.

With best regards,

Susan L. Ettner
Interim Dean, Graduate Division
