Minimum Standards for Doctoral Committee Constitution

1. All doctoral committees require a minimum of four faculty members among whom a minimum of three members must hold current UCLA Academic Senate faculty appointments limited to Professor (any rank), Professor or Associate Professor Emeritus, Professor in Residence (any rank), or Acting Professor or Acting Associate Professor. Two of the three doctoral committee members from UCLA must hold the rank of professor or associate professor (regular or in-residence series).
2. Two of the three required UCLA doctoral committee members must hold the rank of professor or associate professor (regular or in-residence series).
3. If certified and approved by the Committee on Degree Programs (CDP), one Adjunct Professor (any rank) or Professor of Clinical X (any rank) may serve in place of the required three UCLA Senate faculty members listed in #1 above. Only one such substitution is allowed per doctoral committee. (GC Am. 12/15/2017)
4. The Chair always must hold a current UCLA Academic Senate faculty appointment per #1 above in the same department or IDP as the graduate student. If a committee has co-chairs, at least one must be from the student's major department or IDP at UCLA.
5. Additional members (above the minimum number of four) who have subject matter expertise may be nominated and, if appointed, have the same voting rights and responsibilities as the other committee members.
6. Only one committee member with an Academic Senate faculty appointment per #1 above or its academic equivalent at an accredited university or college (UC or non-UC) may serve without need of an exception from the Graduate Division.
7. All committee members must certify that the fairness, equity, and academic integrity of the oral qualifying examination and the final oral examination (dissertation defense) have been preserved by the doctoral committee.
8. Only one committee member (never the Chair or Co-Chair) may participate remotely in an oral qualifying examination or final oral examination (defense of the dissertation). Remote participation must be a matter of necessity rather than convenience. The student must petition the committee chair in advance of the examination to allow one member to participate remotely; the committee Chair must provide written approval to the student ahead of the examination. The technology required for remote participation must allow for the participant to see/be seen by and hear/be heard by all committee members and have access to visual materials simultaneously. Although no exception petition will be required for one committee member participating remotely, the department/program must notify the Graduate Division of the remote participation within 14 business days of the examination. Under rare circumstances, the department or inter-departmental program Chair may petition the Graduate Division for an exception to allow a second member (not the Chair or Co-Chairs) to participate remotely in a doctoral oral qualifying examination or a final oral examination (defense of the dissertation). [Effective 2015 Fall]
