Student assistants who have previously served in academic apprentice positions may be reappointed or advanced to the titles for which they are qualified no later than two weeks prior to the effective date of their employment. No advancements can occur for a given quarter after the beginning of that quarter. Reappointments and advancements are not automatic.

From time to time, an academic student employee may be requested to perform substitute teaching work for another academic student employee. Substitute teaching work performed is compensable, and paid in accordance with the terms of the contract.

Please refer to the [Academic Apprentice Personnel Policy Manual](#) for more information regarding general eligibility and advancement conditions.
