I, the undersigned, have read and understood the [policies and procedures](#) concerning Summer 2021 graduate work-study participation and agree to adhere to those guidelines. I understand that I may not begin employment until my employer has received authorization from the Financial Aid & Scholarships Office. I further understand that a work-study award or increase to my existing award may require a reduction to one or more of the following 2021-2022 awards: Federal unsubsidized loan, Federal subsidized Stafford loan or Federal Perkins loan. The reduction will appear on my academic year Electronic Financial Aid Notification (eFAN).

A place holder will be established for these anticipated awards. If a student does not end up getting the award the department and/or the student must self-identify to Financial Aid & Scholarships (310) 206-0400. If this job has not been approved by the Graduate Division, the petition will not be approved. Departments will be responsible for 100% of the student's earnings for the award year should Financial Aid & Scholarships be unable to resolve a student's over award within 30 days pursuant to the Federal Student Aid Handbook.
