2. Go to the Graduate Division
   Go to 1255 Murphy Hall. The office is open Monday through Friday from 9:00 am to 4:00 pm. Bring the following:
   • Proof of registration as a graduate student at another university. The Proof of Registration is an official letter from your university that includes an official university letterhead, seal or stamp, and signature. The Proof of Registration must indicate that your program of enrollment (degree objective such as Ph.D. or MA), start date of enrollment, expected graduation date, and be a certified English translation (as applicable)
   • Proof of health insurance, U.S citizens, permanent residents, or current F visas only. Visitors from the U.S. who already have coverage can submit an insurance card or benefits summary.
   Questions? Email vgr@grad.ucla.edu.

3. Proof of health insurance, International Visitors only
   Complete a Visiting Scholar Injury and Sickness Insurance Plan Form to either purchase or opt out of the UCLA Visiting Scholars Health Insurance Plan. It is required that all international visitors complete this process.

4. Pay any remaining fees that the department is not paying for you.
   Your campus fees are due upon arrival; you will receive an email with this information once you submit the above-mentioned documents. You must pay the fees by credit card. There is no other way for the Graduate Division to process your fees. Once you submit payment, you will see a receipt screen and will be emailed a confirmation receipt. You can print this sheet for future reference if you wish. After you have submitted your documents to the Graduate Division and paid any remaining fees, the Graduate Division will send you a final approval email confirming your appointment at UCLA.

5. Get a BruinCard
   Note: Appointments of less than 3 months will not qualify for a BruinCard.
   Your BruinCard is your official UCLA identification and will allow you to check out books at the library. If you will need a UCLA BruinCard for access to University privileges and facilities, please work with your sponsoring department to obtain a BruinCard. When your sponsoring department provides you with a copy of the BruinCard confirmation, you can visit the BruinCard Office located at 123 Kerckhoff Hall. The office is open from 9:00 am – 4:00 pm Monday through Friday.
